**100 % High Positive Rock Energy !**

Elektric has released his first self-produced album **Breaking the Spell**.  
Watch the **Betrayed by your own** videoclip on [Elektric.fr](http://Elektric.fr).

Elektric wrote the soundtrack for the film **Sumptuous**  
for the Spring / Summer Collection of L'**Oreal Professional**.

## - BIOGRAPHY -

Formed in 2010 in Paris, Elektric is a rock trio of character built for the stage, that develops a contagious energy conveyed by racy melodies with a relentless rhythm. The nervous guitar cuts to become noisy and impose atmosphere between light and shadow. Elektric cultivates ambivalence in his tormented and sexy world.
